

The *AutomationMesh* E-mail Newsletter is sent out every Wednesday. To submit an article or consult with an editor, please contact:

- Randy Stott, Editor-in-Chief (randy@automationmesh.net), or
- Alex Cannella, Senior Editor. (alex@automationmesh.net)

2026 Editorial Calendar

Newsletter Date	Major Focus	Topic	Show Coverage	Advertising Deadline
3/4/26	Industrial Automation	Software		2/24
3/11/26	Robotics	Cobots		3/3
3/18/26	Motion Control	Servo Drives		3/10
3/25/26	AI	Supply Chain		3/17
4/1/26	Industrial Automation	Controls		3/24
4/8/26	Robotics	Humanoid		3/31
4/15/26	Motion Control	Linear Motion		4/7
4/22/26	AI	Machine Learning		4/14
4/29/26	Industrial Automation	Food & Beverage		4/21
5/6/26	Robotics	Automotive		4/28
5/13/26	Motion Control	Gear Drives		5/5
5/20/26	AI	Product Design		5/12
5/27/26	Industrial Automation	Maintenance	Automate Show	5/19
6/3/26	Robotics	Drones & AGVs	Automate Show	5/26
6/10/26	Motion Control	Conveyors & Belts	Automate Show	6/2
6/17/26	AI	Quality Control		6/9
6/24/26	Industrial Automation	Warehouse & Logistics		6/16
7/1/26	Robotics	Safety		6/23
7/8/26	Motion Control	Motors		6/30
7/15/26	AI	Predictive Maintenance		7/7
7/22/26	Industrial Automation	Process Industries		7/14
7/29/26	Robotics	Articulated Robots		7/21
8/5/26	Motion Control	Fluid Power		7/28
8/12/26	AI	Process Optimization		8/4
8/19/26	Industrial Automation	Machine Tools	SPS/IMTS	8/11
8/26/26	Robotics	SCARA Robots	SPS/IMTS	8/18
9/2/26	Motion Control	Software	SPS/IMTS	8/25
9/9/26	AI	Sustainability		9/1
9/16/26	Industrial Automation	Packaging		9/8
9/23/26	Robotics	Delta Robots		9/15
9/30/26	Motion Control	Harsh Environments		9/22
10/7/26	AI	Agentic AI		9/29
10/14/26	Industrial Automation	Sensors & Vision Systems		10/6
10/21/26	Robotics	Gantry Systems		10/13
10/28/26	Motion Control	Bearings		10/20
11/4/26	AI	Workforce & Training		10/27

11/11/26	Industrial Automation	Tooling		11/3
11/18/26	Robotics	Material Handling		11/10
11/25/26	Motion Control	Gearmotors		11/17
12/2/26	AI	Energy Management		11/24
12/9/26	Industrial Automation	Digital Twins		12/1
12/16/26	Robotics	Polar/Spherical Robots		12/8
12/23/26	Motion Control	Mechatronics		12/15
12/30/26	AI	The State of AI in Manufacturing		12/22

AUDIENCE

AutomationMesh reaches a broad audience of automation industry professionals, including engineers, plant managers, maintenance professionals, systems integrators, robotics specialists and many more across a wide array of industries.

CONTACT US

For more information about advertising, contact Randy Stott, Publisher, (randy@automationmesh.net).

AutomationMesh is a publication of Stott Publishing Inc. We post new articles every day about industrial automation, robotics, motion control and the use of artificial intelligence in manufacturing and engineering applications.
